

Cornerstones of Kent Tile Mural

One of the very special projects of the FRIENDS OF THE KENT PUBLIC LIBRARY is the Cornerstones of Kent tile mural.

This is a stunning 6'x12' tile mural highlighting the history of Kent throughout the centuries, permanently installed at the

Kent Public Library. Cornerstones of Kent is a celebration of the history, animals and plants of the Town of Kent.

It is made up of exquisitely hand crafted and painted tiles by local artist Alicia Gonzalez. Sponsorship of a

tile in the Cornerstones of Kent Mural allows you to preserve your family, business or organization's place in the

history of The Town of Kent. See the attached order form to order your tile today.
