C. Friends: Jane Fowler reported that there were 171 volunteer hours last month. Their membership drive was the most successful ever and brought in $1850. - $700 from businesses – including a $200 donation from Inside Engineering. Five members of the Friends attended a fundraising seminar held by MHL and got some good ideas for future fundraising events. The Friends have held three (3) Teacher Appreciation days and have had 35 teachers attend each one but the revenue has gone up each time, the last one totaling $185. Jane had a picture of the overflowing book bin to show us. Said it caved in the top of the bin but after a few hours it did pop back up. Fortunately we received some very beautiful books.
